As we all attempt to digest the minute by minute coronavirus and COVID-19 updates that continue to besiege us; I thought it important to take a moment to let you know Kampack's plan of action.

We have instructed our staff on protocols that will aid in keeping us all healthy and safe; and have distributed written materials that also outline facts and recommendations.

Please know, that all of us here, from our manufacturing crew to our office staff; are committed to keeping our normal work schedules as best we can, with "Business as Usual" and satisfying our customers as our ultimate goal.

We value your business and understand that you too are navigating these same "strange waters". We wish you the very best of luck and good health in your endeavors; and are confident that things will soon be back to normal.
